IN FOREST PLANTS.

DR. HALSEY'S FOREST WINE AND FOREST PILLS.

The Forest Pills .- There are thre hings peculiar to these Pills alone. They neither gripe nor weaken the sys tom. This is because they contain no Daves or MINERALS, but that they are the pure virtues of

Plants which are as wholesome as the food we 2d. They purge most when the stomach and bowels are most bilious and four, after this efficacy enters the blood, and the process of purifying goes on until all humor and disease are expelled from the system.

3d. A cure is certair in all cases for which they are recommended, and they cure without affecting the bowels but slightly. It is folly to use severe and griping purga

tives; such drugs give pain and weakness, with-out cleansing the Blood; besides, they injure the tone of the stomach and bowels. My principle is never to weaken the system; the stronger the vital functions, the more power have they to throw off disease when assisted by a really good medicine. Salts and Castor oil and the whole category of Fills made of Drugs, answer no purpose more than purgation. Such drugs neither reach the blood or bad humor. The Pills made of these Plants is a different thing litogether. They cannot harm a child, yet their efficacy in curing Diseases of the Blood and ther complaints is certain, and in some cases to which I have been eye-witness, their cures

have been almost miraculous. The Forest Wine-The medicinal properties of the Forest Wine are different from those of the Pills, but the efficacy of each remedy harmonize together, and in the cure of some disorders one Remedy is as important to the other as water and food are for our existence. I have pointed out in the following directions some of the cases which require only the Pills, and other cases which require only the Wire also some of the cases which require both the Wine and the Pills to ensure the cure. The combined action of both Remedies have a more powerful and searching efficacy, and cure sooner than either remedy alone in all such cases as I have recommended them together.

One purgative dose of the Forest Pills is war-ranted to cure any Bilious disorder, or any complaint arising from foul stomach and morbid con dition of the bowels.

The efficacy of the Forest Remedies in Rheumatism is very singular, some of the most distressing cases I ever saw have been cured by them in twelve days' time, while some other cases, (apparently not so bad,) it took nearly months before the complaint yielded to three the efficacy of the Remedies.
